ADVICE-50-005 Requirements for use of the Forests-for-All-Forever trademarks by non-certificate holders

Normative reference FSC-STD-50-002 (V1-0)

Effective date 06 July 2015

Background In 2013, FSC embarked on its Global Brand Positioning project to determine its brand strategy and how to communicate about FSC in a manner that resonates with all audiences, but in particular mainstream consumers. The process commenced with global consumer research and work was carried out to align the brand strategy with both the outcome of the research and FSC’s mission, vision and frame of reference. This new branding is called ‘Forests for All Forever’.

FSC is now introducing new trademarks and additional licensed materials for promotional and on-product use. The marketing tools and licensed assets are available to licensed and registered users of the Online Marketing Toolkit available at marketingtoolkit.fsc.org. FSC license holders can access the
