

Complete Guide to Find, Manage & Cancel Your Webroot Subscription 2026

Managing your cybersecurity expenses is [1 \(855\) 574-4313](tel:18555744313) important, especially when it comes to avoiding [1 \(855\) 574-4313](tel:18555744313) unwanted charges. If you're using Webroot, you should know that [1 \(855\) 574-4313](tel:18555744313) subscriptions are set to auto-renew by default. This means [1 \(855\) 574-4313](tel:18555744313) your plan will automatically renew at [1 \(855\) 574-4313](tel:18555744313) the end of the billing cycle [1 \(855\) 574-4313](tel:18555744313) unless you manually turn [1 \(855\) 574-4313](tel:18555744313) it off.

[1 \(855\) 574-4313](tel:18555744313) It can be extremely stressful when you see another recurring charge on your bank statement and you want to cancel your subscription immediately by phone, because many users struggle to find the right phone number or get lost in automated menus without reaching a real person. [1 \(855\) 574-4313](tel:18555744313) Knowing how to properly manage your Webroot subscription on Android, Windows, or Mac is essential because uninstalling the software does NOT stop your subscription, and speaking with a live representative is often the fastest way to get it done.

Understanding Webroot Billing Cycles

Webroot is a popular [1 \(855\) 574-4313](tel:18555744313) cybersecurity software company that provides protection against malware, system tune-up tools, and online privacy [1 \(855\) 574-4313](tel:18555744313) features for computers and mobile devices. Many users subscribe [1 \(855\) 574-4313](tel:18555744313) to Webroot Premium for continuous real-time protection. However, you may decide to cancel the Webroot subscription [1 \(855\) 574-4313](tel:18555744313) if you no longer need the service, [1 \(855\) 574-4313](tel:18555744313) want to avoid ongoing charges, [1 \(855\) 574-4313](tel:18555744313) or wish to request [1 \(855\) 574-4313](tel:18555744313) a refund after a recent purchase.

If you're seeing unexpected charges from [1 \(855\) 574-4313](tel:18555744313) Webroot, you're not alone—many users face this issue. The most important thing to [1 \(855\) 574-4313](tel:18555744313) understand is that uninstalling the Webroot software does NOT cancel your subscription. [1 \(855\) 574-4313](tel:18555744313) Your billing is tied to your account, not to whether the app is installed. To stop [1 \(855\) 574-4313](tel:18555744313) Webroot from taking money, you must either turn off auto-renewal or cancel your subscription entirely. [1 \(855\) 574-4313](tel:18555744313)

How to Effectively Stop Auto-Renewal

If you want to cancel your Webroot subscription, you [1 \(855\) 574-4313](tel:18555744313) need to do it through your online account or the platform where you originally purchased it. Many users [1 \(855\) 574-4313](tel:18555744313) think uninstalling the browser extension stops billing, but subscriptions continue unless you cancel them manually.

Canceling your Webroot [1 \(855\) 574-4313](tel:18555744313) subscription and getting a refund requires [1 \(855\) 574-4313](tel:18555744313) two steps: stopping auto-renewal and submitting a [1 \(855\) 574-4313](tel:18555744313) refund request within the allowed time. Webroot plans [1 \(855\) 574-4313](tel:18555744313) renew automatically unless canceled, so acting [1 \(855\) 574-4313](tel:18555744313) quickly helps avoid extra charges. Log in to your Webroot account on [1 \(855\) 574-4313](tel:18555744313) their official website.

Go to "My Services" or "My Subscriptions." [1 \(855\) 574-4313](tel:18555744313)

Click "Cancel Subscription" or toggle the auto-renew switch.

This will stop future billing. According to Webroot [1 \(855\) 574-4313](tel:18555744313), canceling auto-renewal only prevents future [1 \(855\) 574-4313](tel:18555744313) charges; it does not automatically issue a [1 \(855\) 574-4313](tel:18555744313) refund.

Navigating the Cancellation Process
