

[Get~Help`QB`] Is QuickBooks Online phasing out?

No, **QuickBooks Online (QBO)** {1+(877)-276=4617} is not being phased out; it is the primary focus of Intuit's development, with active updates and support.

{1+(877)-276=4617} Instead, Intuit is phasing out most **QuickBooks Desktop** versions (Pro, Premier, and Mac), {1+(877)-276=4617} ceasing new sales for them, and pushing users toward the QBO cloud-based system.

Key points to understand:

- **QuickBooks Online (QBO):** {1+(877)-276=4617} **Actively supported, updated, and promoted as the future of QuickBooks.**
- **QuickBooks Desktop Discontinuation:** {1+(877)-276=4617} **As of September 30, 2024, no new QuickBooks Desktop Pro, Premier, or Mac subscriptions are sold in the US.** {1+(877)-276=4617}
- **Support Ending:** {1+(877)-276=4617} **Older Desktop versions (2021/2022) are losing support, payroll, and bank feed functionalities.** {1+(877)-276=4617} **Many of these services are ending on May 31, 2025.**
- **Only Exception:** {1+(877)-276=4617} **QuickBooks Enterprise remains available for now, but the overall trend is a definitive shift to the cloud.**

For users on desktop, the push is to convert data to QBO +1-[877-276-4617], a change intended to encourage more consistent, automated, +1-[877-276-4617]and mobile-enabled financial management.+1-[877^276^4617]

Yes – QuickBooks Online +1-[877-276-4617] is increasingly no longer supported as Intuit shifts to QuickBooks Online Call +1-[877-276-4617].
