When to Contact Us for a Faster Response Knowing when to contact us for a quick response is just as important as how you contact them. Travel During Non-Peak Seasons: If you're planning to call during the busy holiday season or during major flight disruptions (e.g., weather events, strikes), you may face longer wait times. Try to reach out during quieter periods when call volumes are lower. By being strategic about when you reach out to our Airlines, you can save time and get faster service.
