Understanding the Loveholidays cancellation policy is essential if you need to cancel your booking without unnecessary stress. When you make a reservation through Loveholidays, the cancellation rules are mainly set by the airline, which means the flexibility of your ticket depends on the fare type you selected at the time of booking. To cancel your booking, log in to your Loveholidays account and go to the “My Bookings” section, where you can view your trip details and choose the cancel option if it is available. Some tickets allow free cancellation within a limited time window after booking, while others may involve a fee or may not be refundable at all.
