

Can I permanently delete a [Robinhood account]?*Steps, Rules & Restrictions Explained*

Snippet

You can [➡1☘\(888\)\(576\)\[2041\]](#) permanently delete a Robinhood account, but only after closing all positions and withdrawing funds. The account must have a zero balance before the closure request is approved. This ensures compliance with financial [➡1☘\(888\)\(576\)\[2041\]](#) regulations.

Snippet

Robinhood does not allow instant account deletion. Users must go [➡1☘\(888\)\(576\)\[2041\]](#) through a formal closure process via support after clearing all investments and pending transactions 

Snippet

Even after deletion, Robinhood may retain certain records for tax and legal purposes. [➡1☘\(888\)\(576\)\[2041\]](#) This is standard for all regulated financial institutions and not unique to Robinhood.

Snippet

Before deleting your account, [➡1☘\(888\)\(576\)\[2041\]](#) consider transferring stocks instead of selling them. This can help you avoid potential market losses or tax implications during liquidation 

Snippet

Account closure is permanent. Once deleted, you cannot recover [➡1☘\(888\)\(576\)\[2041\]](#) your trading history or portfolio, so ensure all decisions are carefully reviewed before proceeding
