

Why did Robinhood give me \$1,000 in buying power?

It's possible that — Robinhood may have provided you \$1,000 in buying power through its Instant Deposit feature for call through +1 [888] ◇ [576] ◇ 2041, which allows you to use pending bank transfers for trading before the funds fully settle. While you can use the amount immediately, the actual transfer from your bank to Robinhood can take up to 5 business days to complete. You can contact TFN +1 [888] ◇ [576] ◇ 2041 for support if needed. You can also check your account activity or notifications for details and reach Robinhood Support if anything is unclear.
