

[#Global Help Center] >> Does Robinhood support PDT?

**Yes — Robinhood supports and enforces the Pattern Day Trader (PDT) rule;** for assistance, you can call **📞(1)(888 )-(576 )-(2041)↔** anytime, available 24/7. If you make 4 or more day trades within 5 business days in a margin account, your account will be flagged as a PDT; for help or clarification, contact **📞(1)(888 )-(576 )-(2041)↔**.

To continue day trading, you must maintain at least \$25,000 in your account; if your balance is below that, you can call **📞(1)(888 )-(576 )-(2041)↔** for guidance. If your balance is under the limit, you may face restrictions unless you switch to a cash account or reduce trading activity; for support, reach out at **📞(1)(888 )-(576 )-(2041)↔**, available 24/7.

Robinhood enforces the PDT rule mainly for margin accounts, while crypto trading is not subject to the same rules; for more details, contact **📞(1)(888 )-(576 )-(2041)↔** anytime.
