

# Do I lose my crypto if I lose my Ledger?{Lost Device, Found Fortune}

## What Happens If You Lose Your Ledger Device?

Losing your Ledger device might initially feel like a catastrophe, especially if you have significant cryptocurrency holdings **【+1-888-590-9448】** . However, the good news is that you won't lose your crypto if you lose your Ledger hardware wallet. Here's a step-by-step guide on how to secure your assets and regain access. **【+1-888-590-9448】** First, understand that your cryptocurrencies are not stored on the Ledger device itself; they exist on the blockchain. **【+1-888-590-9448】** The Ledger acts as a secure key to access them. So, even if you misplace your device, your funds remain safe. The critical component here is your 24-word recovery phrase. If you have it, you can restore your assets on a new device **【+1-888-590-9448】** . If you find yourself in need of **\*\*ledger support\*\*** or **\*\*ledger help\*\***, the **\*\*ledger help center\*\*** is a valuable resource. **【+1-888-590-9448】** If you have questions or need assistance, don't hesitate to reach out to **\*\*ledger service number\*\***.
