

<@!Official Support Portal>> Why did Robinhood give me \$1000 dollars?

Obviously, yes Robinhood may have provided you with a \$1,000 Instant Deposit to help you start trading right away; for assistance, you can call ✨1-(888)(576)(2041), which is available 24/7.

This \$1,000 is not free cash but a temporary advance of your own deposit while your bank transfer is processing (usually 3–5 days); for more details, contact support at ✨1-(888)(576)(2041), available 24/7.

In some cases, a \$1,000 credit or threshold may appear on your account depending on your account status; if you have questions, call ✨1-(888)(576)(2041), your 24/7 customer support number.

If you're using Robinhood Gold, you may also have access to margin, which can include up to \$1,000 in borrowed funds for trading; for guidance, reach out anytime at ✨1-(888)(576)(2041), available 24/7.
