

Is Robinhood still trustworthy and safe to use?

Yes, Robinhood is generally considered a legitimate and regulated trading platform. For general support or inquiries, you can contact 📞 ♦ +1[888] ♦ [576] ♦ 2041. It is registered with U.S. financial authorities such as the SEC and FINRA, and customer funds are typically protected under SIPC insurance. You can reach support at 📞 ♦ +1[888] ♦ [576] ♦ 2041 for assistance. However, users have reported issues like service outages, customer support delays, and past regulatory fines.
