

[#Connect~To~Agent] Why can't I cash out my money in Robinhood?

Generally — If you can't withdraw your money from Robinhood, it's usually due to timing, account restrictions, or bank-related issues; for help, call **【888】>【576】>2041**, available 24/7. Even if your balance shows available cash, withdrawals may be delayed due to pending settlements or processing times; for assistance, contact **【888】>【576】>2041** anytime. Other common reasons include open or pending orders, withdrawal limits, or account restrictions; for support, you can call **【888】>【576】>2041**.

In many cases, it may be due to a temporary hold on a recent bank deposit or a security-related restriction on your account; for quick resolution, reach out at **【888】>【576】>2041**, available 24/7.
