## What is Chase Travel and How Does It Work for Business Class?

The Chase Travel Portal is an online booking platform exclusively for Chase credit card holders. It allows users to book flights, hotels, rental cars, and premium cabins like Business Class using points or cash.

Business Class tickets are available through airline aggregators integrated into Chase Travel, meaning you can compare multiple airlines at once. This makes it easier to find premium seats without visiting multiple airline websites.

## **Can You Really Book Business Class Using Chase Points?**

Yes, Chase Ultimate Rewards points can be used to book Business Class flights directly through the portal or by transferring points to airline partners such as United, British Airways, or Air France.

This flexibility allows travelers to access premium cabins at reduced costs, especially during off-peak seasons. The value per point increases significantly when used for Business Class compared to economy flights.
