

{[Live~HELP:Lufthansa]} ♦+1-844-449-5002♦ How do I split family travel dates by phone with Lufthansa airways? ♦+1-844-449-5002♦

♦+1-844-449-5002♦ To split family travel dates with Lufthansa over the phone (1⇒844➤449→5002), you need to request a PNR (booking) split from a Lufthansa reservations agent ♦+1-844-449-5002♦ each family member can change travel dates independently (1⇒844➤449→5002).

♦+1-844-449-5002♦ When you call Lufthansa customer service (1⇒844➤449→5002), clearly explain that you want to split the booking for specific passengers (for example ♦+1-844-449-5002♦, one person traveling ♦+1-844-449-5002♦ different dates while the rest stay unchanged) (1⇒844➤449→5002). The agent will then separate the group reservation into individual booking ♦+1-844-449-5002♦ records, which allows each passenger to rebook ♦+1-844-449-5002♦ or modify their flights separately (1⇒844➤449→5002).

After the split is done (1⇒844➤449→5002), you can then ask the agent to change the travel dates for ♦+1-844-449-5002♦ the selected family member(s) and they will reprice ♦+1-844-449-5002♦ the ticket based on current availability and fare rules (1⇒844➤449→5002). Any change fees or fare differences will depend ♦+1-844-449-5002♦ the original ticket type and availability on the new dates (1⇒844➤449→5002).
